Don’t let technology difficulties impact your success! NC State’s Office of Information Technology (OIT) is here to help ensure a smooth technology transition.

The mission of OIT is to support students, faculty and staff in achieving their goals. While here at NC State, you will come into contact with new, innovative and exciting uses of technology in learning and social situations, some of which may be stressful. I want you to know that the university IT team is here to provide you with a variety of resources - the Help Desk, wireless networking, computer labs, Google Apps, mobile and more. Our Help Desk is as close as your mobile when you dial (919) 515 HELP (5-4357) or email help@ncsu.edu. The Walk-in Center, centrally located in the West Dunn Building, provides support for computers and technology needs.

I expect your Google calendar will be full in no time (with hints from this version) with interesting events, club meetings, sports and even a few parties. This paper calendar is a symbol of the efforts and time management skills that you will need for success. Jump in and get involved.

As NC State’s CIO, I want to share some critical rules to protect your IT security and privacy! Here are my four golden rules for protecting yourself:

1. Never give your password to ANYONE! Not help desk staff, not friends, not parents, not anyone!
2. Use Google 2-Step Verification for your email account and Duo for MyPack Portal and Wolfware. Both are added layers of security that deter hackers from gaining access to your accounts. More information is available at go.ncsu.edu/2FA.
3. Never put in an email or text message or on Facebook, Instagram, Snap or Twitter something that you would not want to go viral.
4. NEVER share or download copyrighted material that you did not pay for or have permission from the copyright holder to use.

Remember that IT security and IT privacy are under your control, so don’t be a victim. Let OIT help you be successful at NC State.

Throughout this calendar, you’ll find hints, information and important IT topics that will help you be successful in your University career. Be sure to take advantage of the many support services on campus.

Have a great and successful experience and… Go Wolfpack!

Marc Hoit
Vice Chancellor for Information Technology
TERMS & CONDITIONS

ACCEPTANCE OF THIS AGREEMENT

The student's WolfTV or telephone service will be connected only after the OIT application form (from the OIT or Housing websites) has been completed by the applicant and received by OIT. The student's electronic signature via the Web binds the student to these terms and conditions and signifies that the student has received, read and agreed to abide by all conditions, terms and policies contained within the agreement. In addition, it authorizes OIT to charge the customer's student account for requested services.

WOLFTV & TELEPHONE SERVICE

The WolfTV contract is in effect for cable services and features from the date the subscriber signs it, either electronically or physically, and remains in effect through the current academic year as long as a valid Residence Hall Agreement or Greek Village housing commitment is in effect or until the subscriber submits a Request for Change form, either via paper form or through the WolfTV website (go.ncsu.edu/wolftv) canceling service. Subscribers are responsible for notifying OIT of a change of service via the WolfTV website. Failure to notify OIT may result in continued charges for service.

EQUIPMENT

It is the student's responsibility to provide his or her own telephone, television capable of receiving Clear QAM signals and associated cords and cables to connect to the NC State infrastructure.

FEES & CHARGES

Charges for repair visits as a result of equipment failure in subscriber-provided equipment will be billed to the subscriber at $50 per hour.

PAYMENT OF BILL AND COST OF SERVICE

WolfTV: $192.50 per room per semester. Charges are placed on the account of the first roommate that signs up for the service. Students may sign up for or cancel service throughout the semester; however, a minimum charge of 30 days' worth of service will be billed to the student's account for each sign up. The charge is prorated from the service sign-up date.

Local telephone: $67 per line per semester. This charge is non-refundable unless the student cancels service prior to the beginning of the semester or moves out of university housing.

Service selections for WolfTV and phone carry over from fall to spring. Each semester is billed separately.

INQUIRIES & COMPLAINTS

Inquires or complaints regarding any aspect of the service may be addressed to: BJ Attarian, Media and Student Services, Box 7217, Raleigh NC 27695, or made to (919) 515-7099, option 1 (5-7099 on campus). Unresolved complaints may be directed to the Utilities Commission, Consumer Services Division, 4326 Mail Service Center, Raleigh, NC 27699, (919) 733-9277.

RESNET

By living in University Housing or Greek Village, you agree to abide by the terms and conditions set for this service. The terms for service include abiding by the university's Administrative Regulations for Computer Use and other applicable state and federal laws and university rules and regulations. ResNet customers are responsible for following the complete rules and regulations for computer use on campus, including any updates.

TERMS & CONDITIONS SPECIFIC TO RESNET

The ResNet customer is responsible for all use of the network connection.

ANTIVIRUS SOFTWARE

All ResNet customers are required to use regularly-updated antivirus software on their computer(s). Visit go.ncsu.edu/antivirus for more information.

CORRESPONDENCE FROM RESNET

ResNet customers will receive occasional correspondence from ResNet staff. By agreeing to the terms and conditions for service, you agree to receive this information.

SERVICE INTERRUPTIONS

Network service may be interrupted on occasion. ResNet and WolfTV will work to restore service as soon as practicable; however NC State and ResNet are not responsible for any losses or damages caused by service interruptions or other failures in university equipment.

NOTE:

These are partial terms and conditions for WolfTV, phone and ResNet. For a complete set of terms and conditions, visit the links below:

- WolfTV: go.ncsu.edu/wolftv
- Telephone Service: go.ncsu.edu/phone
- ResNet: ncsu.edu/resnet
**WOLFTV SERVICE**

- WolfTV gives students more than 100 high-definition entertainment, news and sports channels.
- WolfTV is an optional service for students living in traditional residence halls, but is an included service for Greek Village, Wolf Ridge and Wolf Village.
- More information about WolfTV is available on the October page and at [go.ncsu.edu/wolftv](http://go.ncsu.edu/wolftv).

**RESNET**

- ResNet provides all on-campus students access to the NC State computing network and the internet.
- The rate for ResNet is $140 per semester.
- ResNet provides wired and wireless connections to individual residence hall rooms.
- More information is available on the January page and at [ncsu.edu/resnet](http://ncsu.edu/resnet).

You must provide your own TV and cable cord (coaxial cable) to connect from the wall to the back of your TV.

The TV must have a tuner capable of receiving a digital Clear QAM signal. Television and converter box information available on the WolfTV website: go.ncsu.edu/wolftv.

Change and modify your WolfTV service at the WolfTV website: go.ncsu.edu/wolftv.

The rate for WolfTV is $192.50 per semester per room and the service is active one business day after sign up.

The charge for WolfTV is placed on the student account who signs up for the service. The charge is prorated daily and is assessed on the sign-up date.

Service selections carry over from fall to spring. Each semester is billed separately.

Students may sign up or cancel throughout the semester. A minimum charge of 30 days' worth of service will be billed to the student's account for each sign-up.

A separate set of terms and conditions for residents living in Wolf Ridge, Wolf Village, or Greek Village is available on the September page of this calendar.

RESNET/HELP DESK

- ResNet is the computing network service provided to students living at NC State University.
- The ResNet rate is $140 per person per semester.
- An Ethernet cable and adapter will let you connect directly to the ResNet network, but is not necessary if you prefer to use Wi-Fi.
- The Walk-in Center in the West Dunn Building provides computer software and ResNet support, malware removal, network and wireless help, and warranty and hardware support for Apple, Dell, and Lenovo computers.
- The Help Desk provides assistance with network connection, Unity login and antivirus issues. Call 919-515-HELP (4357), email help@ncsu.edu, go to help.ncsu.edu or visit the Walk-in Center.
- More information is available at go.ncsu.edu/wic.

SAFE COMPUTING

- Use a strong, secure and unique password for each of your accounts.
- Do not share your passwords!
- Do not open unexpected email attachments.
- Protect your mobile device as you would your computer. Set up a password, PIN code or other screen lock.
- Set up your device’s lost/stolen location services.
- Be careful with the apps you download. Read the privacy policy and understand app permissions.
- Any email request for your password is fraudulent. Do not respond.
- NC State IT staff will never ask you for your password.
- Keep your operating system and apps up-to-date.
- Back up critical data.
- If you post something to social media, consider it public.
- Be aware that no privacy option protects you 100% from personal information being shared beyond desired boundaries.
- Enroll in both NC State two-factor authentication solutions, Google 2-Step and Duo Security, to add an extra layer of protection to your Google account and your Shibboleth logins. More info at go.ncsu.edu/2fa.
- Contact the Help Desk if you have questions about suspicious emails or sites.

ANTIVIRUS

➢ NC state requires that all computers connecting to campus networks have up-to-date antivirus software installed. More at go.ncsu.edu/antivirus.

➢ The NC State Help Desk and the Walk-in Center provides limited antivirus support. Contact 919-515-HELP (4357) or email help@ncsu.edu.

PHISHING

➢ Phishing is a technique used by criminals to steal your personal information by pretending to be someone you trust.

➢ Protect yourself from phishing by:
  ➢ Using Two-Factor Authentication
  ➢ Only filling out secure forms
  ➢ Regularly checking financial statements
  ➢ Updating and patching software
  ➢ Being on guard and informed

➢ More information at go.ncsu.edu/phishing.

➢ The “one phish, two-step” policy means that if you fall victim to a phishing attack, you will be required to enroll in Google 2-Step Verification to protect your account from future compromise.
Between the last day of classes and the first day of exams, both D.H. Hill and Hunt libraries are open 24/7 and access is limited to the NC State Community.

COPYRIGHT & PEER-TO-PEER SHARING

- Copyright is legal protection given to original works. It arises automatically as soon as you put your work into a tangible medium of expression, such as text, recordings, photographs, movies, email, etc.
- It is not required to publish, add a copyright notice, or register with the U.S. Copyright Office.
- You cannot modify copyrighted material, even for nonprofit education purposes, unless in accordance with copyright law or with the owner’s permission.
- NC State has implemented procedures to prevent unauthorized peer-to-peer sharing or distribution of copyrighted materials.
- Potential consequences of copyright infringement can include civil suit damages of up to $30,000 per infringement, prison sentences, fines of up to $250,000 per offense and disciplinary action by NC State University.
- Understanding copyright law and University policies is your responsibility. For more information, see:

COMPUTER LABS

- OIT supports seven Unity computing labs that support Mac, Linux, and Windows workstations. More about Unity labs at go.ncsu.edu/unity-labs.
- Assistive technology software is available on all Unity lab Windows workstations in partnership with the Disability Services Office. OIT also maintains at least one active accessible workstation in every Unity lab.
- A remote-access virtual computing lab allows you to reserve and use a computer remotely over the Internet. More information at vcl.ncsu.edu.
- Use specialized software (ArcGIS, MatLab, AutoCad) with your own computer. Make a reservation at the Virtual Computer Lab 24/7, on and off campus.

FOLLOWME PRINTING

- FollowMe printing is available for Web Print, Google Cloud Print and the Mac and is used in conjunction with WolfPrint quota.
- Send a print job from your computer to a campus printing location and pick it up within 12 hours.
- More information at go.ncsu.edu/print.
