

# PHONE SERVICE APPLICATION

Local telephone service is \$67 per line, per semester. Each phone line includes voicemail, call waiting, call return (\*69), three-way calling and caller ID. There is a 3-5 business day installment period between when a student requests phone and service activation.

The semester charge (\$67) is non-refundable unless the student withdraws from Housing prior to the start of the semester. Service **automatically** rolls over from the Fall to the Spring semester unless the student notifies Media & Student Services by submitting a **Phone Service Cancellation** form prior to the start of the Spring semester.
